

Before a
disappointed
SAKURA, YAE
will—...?!

She
was reunited
with the girl
she'd admired,
but YAE seemed
to have turned
into a different
person!

She
is

in this
school!!

After that,
she would
often play
with me.

The older girl
who helped me
when I was a
first grader
was my aunt's
friend.

I really
didn't think
I'd ever
see her
again.

However,
she moved
away after
graduating,
so

I can
finally

meet
her...

But...

Left my
parents' house
to freeload at
my aunt's

Now...

I want to
attend the
high school
near my
aunt's house!!

...And with
that, I
forcibly
convinced
my par-
ents.

I found
out she's in
the neigh-
boring pre-
fecture
near my
aunt's place.

If
you mean
Yae, she's
working
at a high
school near me.

Really?!

This is a ten-year reunion...

mutter

You've
grown
so much!!

I'm
certain
she'll be
happy!!

mutter

The heck?
What time
period did
she come
from?!

Wha...

Yes! I'm fifteen now.

Sakura, you've grown up.

I see.

But since you're fifteen, you gotta be more diligent.

hm...

You know you can't cosplay outside?

shock

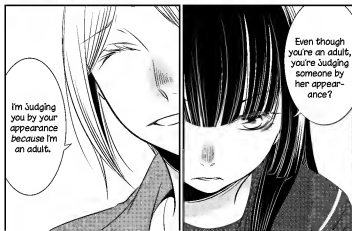

That's embarrassing. Please don't use my nickname.

Also, I wasn't the one calling myself that.

The Golden-haired Queen, Yae?!
...Ma'am!!

clatter

Miss
Yae...

You've
become
quite the
boring
adult.

I just
wanted

pft...

What's that?
Cosplay?

So lame!!

I didn't
think she'd
become
that kind
of adult.

Well,
it's not
like they
didn't try
something...

to become
closer to
the girl I
admired...

I picked up self-defense and also learned how to fight from my ex-delinquent aunt.

In order to get closer to that strong and beautiful person...

The me now...

I won't be beaten by some random creeps.

If you say so, I guess...

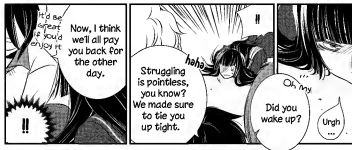

She hasn't caused any problems other than her clothes...

Could you please wait a bit longer?

That girl's dressed the same today...

Actually,
if you didn't
consider this
possibility,
then you're
an idiot.

We can't
beat you
one on one,
so we used
our heads.

Cowards!!

If you have some-
thing against me,
then challenge me
fair and square!!

"If you
dress like that,
you might catch
some weirdo's
attention..."

Shit...

Don't touch
her with your
filthy hands.

Well then,
about time
we...

Why the
heck am
I thinking
about her
now...

Good grief.
Ganging up on
just one girl.

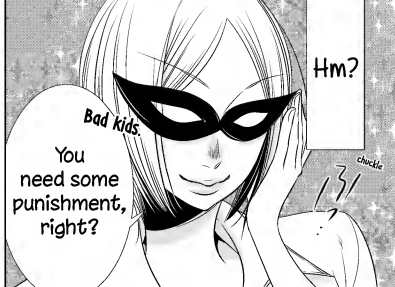

That voice!!

Yae...

There's a limit
to how lame
you can get.

step

What're you doing, Yae-!!!!

to be continued...

Arashura's TL/N Corner:

The title is a combination of the two names, but it can also mean "double-flowered cherry tree" or "double cherry blossoms." Trees with blossoms of more than five petals are called "yaezakura"

P145p7b1:
Her name's kanji can be
Eternal (Yuri) Swamp wahahahaha

P148p2b2:
"You no longer
have blonde hair."
[I can't tell the
difference /shrug]
